Award Construction, Inc.

Invitation to Bid

Project Name: Richmond Beach Overcrossing Bridge Replacement Project

Project Location: Shoreline, WA

Project Bid Date: 01/13/2010

ACI Estimator: Todd Vasey

Contact: Dawn Leischner, Asst. Project Manager (360) 318-8708, dawn@award-inc.com

Project Description:

The project consists of furnishing the materials, equipment, tools, labor, and other work or items included thereto to complete the Richmond Beach Overcrossing Bridge Replacement project. The work shall include, but is not limited to, removing an existing timber structure and constructing a cast-in-place concrete structure, designing and constructing a temporary detour bridge, constructing approaches, shoring and excavation, constructing a temporary traffic signal, maintaining traffic control, landscaping, preparing submittals, and other work all to be performed over and adjacent to, but not on, two existing and highly active railroad tracks.

Scopes of work we are requesting quotes for:

Saw cutting, pavement removal, railing, fencing, concrete sidewalk, concrete ramp, asphalt treated base, concrete bridge approach slab, HMA, erosion control, street cleaning, landscaping, traffic control, extruded curb, guardrail, striping, traffic control and trucking.

Project Documents:

Drawings and specifications may be obtained on the Builders Exchange Website under posted projects and the City of Shoreline.
